Loans 'Designed to Fail': States Say Navient Preyed on Students

By STACY COWLEY and JESSICA SILVER-GREENBERG

APRIL 9, 2017

WHAT WE ARE READING

Loans 'Designed to Fail'

Need money for college?

When we think of predatory financial products, we typically think of payday loans, currency exchanges, and the like. Rarely do we think of *student loans* as a predatory product...

Life after Magnetar Academy

"From my experience it is helpful to always ask questions to people who are in these positions and who have ample experience because they can generally offer a plethora of insight."

Gabe Muhammad

CHX at Sullivan High

Mark O'Connor of the Chicago Stock Exchange Addresses Students

"Going in, I thought that if my words inspired one student and helped them a little, then the day was a great success – it was wonderful to see not just one student, but the full class so interested and engaged."

Mark O'Connor

Home of the Warriors

FinEd Students in the News in Deerfield

Investors Keep Their Cool at the Team Challenge

Initially, the Deerfield team started losing money as their portfolio dropped in value. Then they got organized...

Last Day for Applications!

Your Chance | Your Choice | Your Future

May 15 is the last day to apply for that summer job in Chicago that is so much more than a summer job! Think: essential training for your financial future.
